Yes, I am a Dominion Energy customer

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I believe Dominion should be denied being able to keep raising rates on customers. They bought our SCE&G knowing full well what they were getting in to and now the customers are being held captive. I looked into solar panels as we are all being told to "go green" but both representatives from the companies I talked with said Dominion was trying to make purchasing solar panels a waste of time by not allowing the rebates and credits. So why should I go into debt for naught? One solar representative admitted that Dominion will put them out of business in this area if they get what they want. PLEASE protect SC residents who have Dominion Energy. Thank you

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
